Add Server Password

> **Before following these steps, make sure to stop your server first. This is to avoiding breaking anything on your server while you edit.**

Step 1: Head to your game panel and look for your **File icon** on the left hand side.
// Photos to be added on AH 2.0

Step 2: When you are in you files, scroll down until you see a file named: **serverconfig.xml**
// Photos to be added on AH 2.0

Step 3: Open the file and look for the line that says: **<property name="ServerPassword" value=""/> .** When you have found this line, you just need to add a password in the Value area.

> Before:
> **<property name="ServerPassword" value=""/>**
>
> After:
> **<property name="ServerPassword" value="Thisismynewpassword"/>**

//Photos to be added on AH 2.0

> **Make sure to save before exiting the file**.

> **After Completing these steps, you can now go and start you server.**

//Photos to be added on AH 2.0
