

Creating a support ticket

In order to create a support ticket at our Discord please follow the instructions below.

1. Make sure your **Discord account** is **linked**
2. Go to Discord and click on **alienhost-support** channel, you will see the following:

3. Click on **<Not Selected>** and choose the type of ticket you want to create:

- **Billing:** for matters related to your plan, refunds or pricing questions.
 - **Technical:** for matters related to your server, like hardware or issues with your server on the panel.
 - **General:** for any other matters.
4. Once you select a topic, you will be automatically pinged in your ticket. Please briefly describe the question you have and our staff will be as quick as possible with you.
